

## Call for papers

The 5<sup>th</sup> Annual Conference of the French Association of Law and Economics (AFED) will be organized on October 15-16, 2020, on the campus of the University of Paris Nanterre (Max Weber Building).

The purpose of AFED is to provide a discussion forum for all researchers interested in an interdisciplinary approach to law and economics. The Conference accepts original works in both disciplines, law and economics, adopting this approach, on all relevant topics. The best two papers will be selected and published in a special issue of the *European Journal of Law and Economics* dedicated to « National Associations » in 2021.

Parallel sessions will be held in both English and French. Plenary sessions with roundtables and a « Job Market Forum » conducted by professionals (specifically dedicated to PhD and master students) will be planned.

However, due to the current sanitary situation and the uncertainty surrounding the next academic year on the campus, the Conference could eventually take place online.

### DEADLINE OF SUBMISSIONS :

Full papers (French or English) as well as long abstracts (at least 2 pages) must be submitted at <https://afed2020.sciencesconf.org> before August 17, 2020.
